

UTILITY PREFECT MANIFESTO

Prepared for School Vetting and Campaign Presentation

INTRODUCTION

Good day to the respected teachers, members of the vetting panel, and my fellow students. My name is _____, and I am honored to present myself as a candidate for the position of Utility Prefect. I strongly believe that leadership is not about authority alone, but about responsibility, discipline, service, teamwork, and setting a positive example for others to follow.

MY VISION

As a Utility Prefect, my vision is to help create a cleaner, more organized, disciplined, and cooperative school environment where every student can learn comfortably and proudly represent the school.

MY LEADERSHIP QUALITIES

Quality	How It Will Help Me Serve
Discipline	I will obey school rules and encourage others to do the same.
Responsibility	I will take my duties seriously and complete assigned tasks effectively.
Teamwork	I will work peacefully with students, teachers, and other prefects.
Respect	I will treat everyone fairly and respectfully.
Hard Work	I will remain active and committed in carrying out my responsibilities.

WHAT I PLAN TO DO AS UTILITY PREFECT

If elected as Utility Prefect, I promise to:

- Promote cleanliness around the school environment and encourage students to dispose of waste properly.
- Help maintain order in classrooms, assembly grounds, and other shared areas.
- Support teachers and school authorities whenever assistance is needed.
- Help protect school property and report damages or problems promptly.
- Encourage students to develop responsible habits and respect school facilities.
- Be approachable and willing to listen to suggestions and concerns from students.
- Lead by example through punctuality, discipline, and good behavior.

MY APPROACH TO LEADERSHIP

I understand that leadership comes with challenges. There may be moments when students disagree, ignore instructions, or misunderstand responsibilities. In such situations, I will remain calm, respectful, and fair. I will use communication, patience, and understanding rather than unnecessary harshness. My goal is to guide and support students while maintaining discipline in the school.

CONCLUSION

In conclusion, I believe I have the dedication, discipline, and willingness to serve effectively as your Utility Prefect. I am ready to contribute positively to the growth and improvement of our school community. I humbly ask for your trust, support, and confidence. If given the opportunity to serve, I promise to perform my duties with honesty, commitment, and respect. Thank you.
